

Appendix 3. 7.5 minute quadrangles (1:24,000-scale topographic maps) of the Jack Morrow Hills Ecosystem showing stands of mountain shrub vegetation.

7.5 Minute Topographic Quadrangles (1:24,000-scale Maps)
Outlined on the GAP 1:100,000-scale Cover Type Map
of the Jack Morrow Hills Ecosystem

On the 1:100,000-scale map, the boundaries of the following 7.5 minute quadrangles are shown by green lines, and the number of each quadrangle is in the upper, left corner of the quadrangle. Only the quadrangles in bold type are included in Appendix 3. The other quadrangles had no mountain shrub communities mapped on them.

<u>Map Number</u>	<u>7.5 Minute Quadrangle</u>
1,3	Steamboat Mountain
1,4	North Table Mountain
1,5	Boars Tusk
1,6	White Rocks
2,3	Freighter Gap
2,4	Monument Ridge
2,5	Essex Mountain
2,6	Ox Yoke Spring
3,3	Joe Hay Rim
3,4	Rock Cabin Spring
3,5	North Packsaddle Canyon
3,6	Tule Butte
4,3	Dickie Springs
4,4	Pacific Springs

Mountain shrub plant associations mapped on the 7.5' topographic quadrangles.

Mountain Big Sagebrush

Mountain Big Sagebrush-Utah Snowberry/
Basin Wildrye Association

Mountain Big Sagebrush/Bluebunch Wheat-
grass Association
