

The Student Health Service

“The right place. The right care.”

Dan Radosevich, M.D.
University Physician

SHS Mission Statement:

“To provide high quality health care that enables students to perform optimally physically, mentally, and emotionally, and thus achieve their academic goals while minimizing interruptions in their course of studies.”

Okay, how does it work?

What **can** the Student Health Service do?

With whom does the Student Health Service corroborate?

What **can't** the Student Health Service do?
