

Photo Points

Look at the two pictures (Figures 1 & 2) of the Mammoth Hot Spring Hotel from the late 1800s or early 1900s.

- What are some of the differences you can find between the two pictures?
- Which one do you think is older? Why?

Now look at the four more recent photos – Figures 3-6 (from the 1980s-90s).

- Can you find some similarities between these new photos and the old ones?
- What are some of the main differences?
- What makes it difficult to identify similarities and differences between these photos?
