

GEOLOGIC MAP OF THE TWO OCEAN LAKE QUADRANGLE, TETON COUNTY, WYOMING

by
J. David Love
2002

North American Datum (NAD27), Projection 10,000-foot grid ticks.
Wyoming coordinate system, west zone (Lambert conformal conic).
Blue 100-meter Universal Transverse Mercator ticks, zone 12.
Hydrography, hydrography, public land survey, and transportation
base by U.S. Geological Survey, various years.
Digital raster base files prepared by Wyoming State Geological Survey, 2002.

Geology mapped by J. David Love, 1950, 1954, 1957, 1971, 1972, and 1974;
W.R. Keeler, 1950
Digital cartography by Phyllis A. Ranz
