Were you at the trona mine in 73 or 75 when they had the  
strike that got bloody? I'm not sure which year, but I

think it was Allied, near Green River that a man was killed.

There may have been another badly injured and a machine  
started up and turned loose inside the mine.

You were president of a mine local, tell me about that,

your presidency?

disalusioned with you?

as to promotions, but few are kept. How do you feel about  
this?

*or help or hinder*

b: Do ~~you~~ you feel unionism would correct all or most of the  
~~unfairness~~ at Black Butte?

c: Black Butte has a grievence committee, you serve on this  
committee, does this committee get the sort of action that  
a good union board would demand?

d: Or is this Black Buttes card up the sleeve to only pacify  
the workers?
