

## Overview of the Resource Education Curriculum Progression

<u>Themes</u>				
Connecting to Place	The Only Constant in this Place is Change	Exploring Perspective	Building Relationships	Transferring the Learning
<b>Essential Question</b>				
How do we explore our connection to this place?	What are the driving forces in this place?	What factors influence perspective?	How do we function symbiotically in this place?	How have I been empowered by these experiences?
<b>Lessons</b>				
<a href="#"><u>Ecological Relationships #1: Observation is a Skill</u></a>	<a href="#"><u>Ecological Relationship #2: Geology Shapes the Landscape</u></a>	<a href="#"><u>Ecological Relationship #3: Clark The Nutcracker Story</u></a>	<a href="#"><u>Ecological Relationship #4: Up in Smoke!</u></a>	<a href="#"><u>Stewardship #3: Reflection-Transference</u></a>
